

Why we pray?

Prayer is very powerful because it activates our faith and help us to see how powerful our God is. Join us praying for our church, families, friend, work and many more.

We as a church is using application called Echo Prayer for apple and for android so that every prayer requests and concerns will be just in our hands though our mobile phones. For more information I would like you to watch the clip below about the application and later, we will guide you how to install and how to use it.

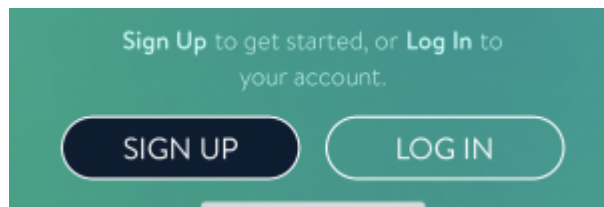

How to Install?

Step 1: Install Echo Prayer

Step 2: Create and account

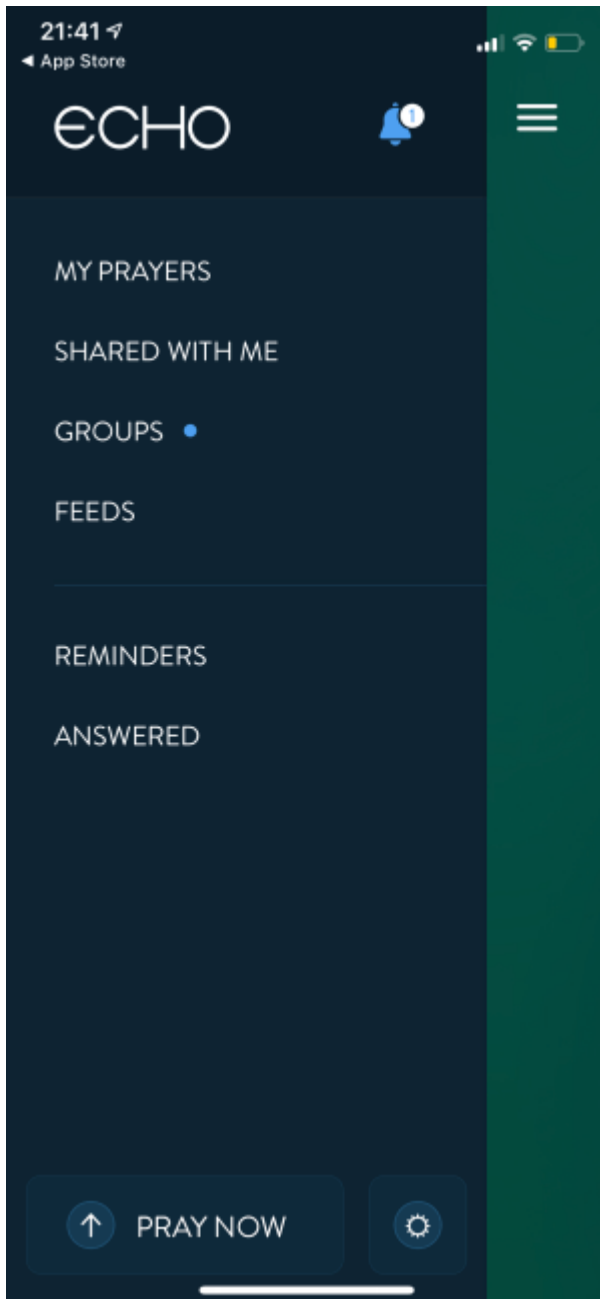

Click sign up and follow next steps.

How to use it?

A. Joining Hope Haugesund Feeds

Step 1: Click to FEEDS

Step 2: Search for Hope Haugesund and click FOLLOW

B. Joining Prayer Groups

Aside from FEEDS of Hope Haugesund, we have prayer groups for more detail prayer request of the members and other people we love. If you like to join to any groups please contact us by filling up the form below. Please give your email address account of your echo prayer for us to include you there. Thank you for joining us in prayers. God bless us all.
